US CELLULAR EMPLOYEE DISCOUNT

Did you know that if you have a personal cell phone with US Cellular, you are eligible for a 10% discount?

This is for CFI employees only and the account must be in the employee’s name. Read additional fine print below.

Here’s what to do: Go to www.uscellular.com/partner and follow the instructions. You must have a CFI email account. Use code PED3815 to register. Never provide this code to non CFI employees or US Cellular will remove this benefit from all employees.

Don’t have a CFI email address? Just go into a US Cellular store and provide the above code with any proof that you are an employee (id, paystub, business card).

Sign up for paperless billing and receive an additional 5% off.

Congratulations! You’re eligible for a 10% discount on your monthly U.S. Cellular® wireless plan because your employer is a loyal U.S. Cellular partner.
